

# EBSCO | Stacks PREMIUM

A turnkey, responsive web platform with plug and play integrations. Stacks brings local content, catalogs, and electronic resources together and creates a seamless user experience on any device, anywhere.

In addition to the entire Stacks platform offering, Stacks Premium includes superior SaaS performance, advanced customization and the ability to harvest your internal repositories, allowing users to search both paid content and internal documents side by side.

## INCREASED PERFORMANCE

For All Users

Regardless of the number of end users, Stacks Premium ensures your site can handle the load.

## INCREASED CAPACITY

For Global Teams

Stacks Premium utilizes hosting facilities around the world to ensure your site loads quickly no matter where your team is around the world.

## INCREASED UPTIME

Up to 99.99%

Is your Stacks site mission critical? With more power and more servers, comes increased availability.

## INCREASED SUPPORT

Full Project Team

Receive a full personal Project Team consisting of experts from both Stacks Inc. and EBSCO.
